2. Conditions

- This Sales Permit is applicable only to the type of respirators as identified in it.
- This Sales Permit is issued without alterations and is only for use by the person to whom it is addressed and may not be given, sold, ceded and/or traded to any party.
- Should a consumer complaint be received by the NRCS regarding the safety of the type of the respirators in respect of which this Sales Permit is granted, in the absence of acceptable corrective action, the NRCS reserves the right to revoke this Sales Permit with immediate effect.
- Should the rightful holder of the permit breach any of the conditions or terms stipulated and agreed upon in this document, including any other document involved within this process, the CEO shall have the right to revoke this Permit.
- Records shall be maintained and made available to the NRCS upon request by the permit holder of all distributed respirators that fall under this Permit for traceability purposes.
- This Sales Permit shall not cover modifications to the type of respirators as identified in it. Every modification to the type of respirators shall be formally notified accordingly to the NRCS prior to implementation. Such modifications shall require a new application for a Sales Permit.
- The permit holder shall ensure that every respirator packaging as described in this Permit is marked legibly and indelibly with the following information: "Sales Permit No. 22/2020".
