FA-3

FA-3/REFILL

FA-7

FA-7/REFILL

Description

Dromex® FA-3 and FA-7, first aid safety box range features a set of materials and tools that is used for giving emergency treatment to a sick or injured person.

Dromex® FA-3 are basic first aid kits, whilst Dromex® FA-7 kits are used in incidents where there is blood spill.

These kits are suitable for use indoors, in offices or manufacturing environments.

These kits consist of a portable and wall mountable storage container, that contains the following medical supplies and tools:
