J54 100% COTTON WORKWEAR  
DW-J54 EXECUTIVE FIT CONTI

## Description

Dromex® J54 Executive jacket and pants suit is a lightweight work garment designed to provide the user with comfort especially when working in hot and humid environments.

The 100% cotton satin weave finish, natural fibre construction makes this garment breathable and durable.

This garment is available in 3 different colours, navy blue, orange and grey, which consists of the following:

Jacket features:

- Collared jacket.
- Concealed aluminium zip closure.
- 2 Open waist pockets and 1 left breast pocket with a mitred V flap, a pen division with Dromex® sidewinder and concealed metal press stud closure.
- Seams with triple needle top stitching for added durability.

Pants features:

- A concealed aluminium zip with metal button closure at waist.
- Two fronts swing pockets and a rear mitred open pocket with Dromex® sidewinder.
- Triple needle top stitching for added durability.
- Inner elasticated waist for optimum fit and flexibility with 7 belt loops.

This garment is suitable for use in general work environments such as agriculture, logistics, warehousing, maintenance and repairs.

## Special Instructions

None of the materials or processes used in the manufacture of these products are known to be harmful to the wearer. The manufacturer has examined under the system for ensuring quality of production by means of monitoring and inspection. These cotton garments are designed to accommodate the basic safety requirements and standards for Personal Protective Equipment. The information contained herein is intended to assist the wearer in the selection of personal protective equipment. Actual conditions of use cannot be directly simulated in a test environment therefore it is the responsibility of the end user and not the manufacturer or supplier to determine the garment suitability for the intended use.

This garment should be thoroughly inspected before use to ensure no damage is present.

## Compliance & Conformity

## Cleaning & Maintenance

- The following suggestions will help keep your garment neat and safe:
- J54 garments can be cleaned by home cleaning or commercial laundering provided all the recommended conditions and setting are adhered to.
- Should home procedures not remove contaminants, then dry cleaning is recommended.
- Our recommended cleaning for these garments is as follows:
  - Pre-treat greasy stains and wash the garment in warm water with a light cleaning solvent.
  - Do not use Hypochlorite bleach or detergents containing Hypochlorite bleach.
  - Chlorine bleach may cause fading and reduce fabric strength.
  - Do not overload home laundry equipment.
  - Do not tumble dry garments.
  - Thoroughly rinse the garment to remove any wetting agents.
  - Do not hang in direct sun.
  - Sunlight can cause fading and reduce fabric strength.
  - Iron the garment on low heat.
  - When using commercial laundry aids, be sure to read and carefully follow the manufacturer's instructions.
